

Mandatory entries for all Turkish Airlines ticket orders

As part of the Covid-19 - protection measures, Turkish Airlines requires from now on for the issuance of all tickets the information of the travelers' dates of birth via DOCS fields (TSA data). In addition, at least one telephone number (CTCM) and one email address (CTCE) are required per booking. Without this information we cannot issue TK tickets.

Please record **ALL THESE 3 DATA** and quebb the PNR again to the Q66.
